Individual Class Presentations

Assignment: You will give a 3-5 minute presentation covering the following topic:

The presentation may include audio or video excerpts, website examples or demonstrations but should mainly consist of an oral format.

Your goal is to:

1. Introduce the topic to the class,
2. Continue with whichever task is most appropriate for your topic:
 - explain any controversy surrounding the topic
 - offer more detailed information about the organization/piece/topic
 - ask the class for thoughts/comments and generate a discussion on the topic
3. Conclude with one question for the class, generated by you, which would be suitable for exam use. This question must be presented either as a handout for each student or on a PowerPoint/overhead projection format for the students to copy down in class.

Date of presentation:

All presentations will occur at the beginning of the class period.

A grade (%) will be assigned based on evidence of study of the topic, effectiveness at furthering thought or discussion on the topic by the class, and presentation skills.

This assignment will count for 5% of your final course grade.
