

Things to remember for your JQ/Senior Exam/Performance Recital (305 or 405)

By the end of Week 2:

Line up your accompanist and date/time (performance and hearing)

Make sure you have a 3-person faculty committee set (me plus 2 others)

All literature should be finalized

Other important things to remember:

Create, copy and hang posters to advertise your performance

Create and copy programs to distribute to the audience

Make sure you have 3 copies of each piece of music for the faculty committee

Make sure your recital is being recorded (crucial if the committee members can't all be there in person)

Feel free to have water to drink on stage with you if you like

Be very smart about your chops the day before and the day of your performance

Make sure you are well fed and hydrated on the day of your performance (avoid caffeine, alcohol, and any food that might upset your stomach before playing)

Dress well, smile a lot, and enjoy yourself on stage!

Let me know if there are any other questions

***I'd like to take you to lunch at your next scheduled lesson after your recital to discuss the results and where we go from here (JQ ONLY)**

HAVE FUN!!!!!!
