Group Norms for Behavior

Full Value Contract.

The *agreement* to...

1. work together as a group.
2. adhere to certain safety and group behavior guidelines.
3. give and receive feedback, both positive and negative, and to work toward changing behavior when it is appropriate.

Make a list of behavior norms you would like to set for governing the behavior of the group. Provide some suggestions for each category listed below.

Individual to Individual: What do you expect for behavior from individuals within the group?

1. Treat each other equally
2. Be responsible for one another's safety

Individual to Group: How do you expect individuals to behave as part of the group?

1. Give 100%
2. Be open-minded
3. Take each task seriously
4. Know your role

Group to Individual: How do you expect the group to treat each individual?

1. Be positive and encouraging
2. No "scapegoating" (blaming others)
3. Be respectful of others
