You'll Need to Use the Drawing Toolbar
With it, you'll need to use Text Boxes
Decide on the size of your chart (object pull handles)
Once you've got your text boxes in place, you'll need to use the Group feature
on the Drawing Toolbar to keep your boxes in place
(Shift-Left Click to select them all; then "Group" on the Draw drop-down)

Projected Decline in Alcoholic Beverage Consumption
By Numbers of Men and Women Who Report Drinking Alcohol
in Previous Six Months
(In Thousands)

% Declines > 10% Are Labeled

-12.9% -17.1% -35.4%
